

Below is a layout of the Community Center. Surrounded by wooded area. Walk in the front door:

On the left are the bathrooms, another entrance with automatic doors to the side parking lot, a coat closet, and the smaller meeting room with a connecting kitchen.

On the right is a large community room that spans the entire length of the building. The large room has a bar/serving counter that faces the front of the building. There are French doors that open to a patio in the back of the room. Kitchen has hot water for tea, coffee pots, warming ovens, sinks, no pots/pans, no utensils. Guard/custodian will be here the whole time.
